

A Collier's Friday Night: A Play in Three Acts (Paperback)

By D H Lawrence

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. Lawrence's first play, A Collier's Friday Night, is a naturalistic play, a "slice of life"; as such. "Never before had working-class family life in all its vital or stifling intimacy been presented with such immediacy and authenticity. The mother, Mrs. Lambert, loves her son Ernest with a deep possessive love against which he is beginning to strain, though he loves her deeply. Mother and children all reject and despise the father, who struggles pathetically to maintain an authority and dignity only he believes in. These conflicts, just under the surface, set all their lives on edge. Any triviality can trigger an explosion." Keith Sagar D. H. Lawrence, in full David Herbert Lawrence (1885.-1930.) is one of the most influential English writer of the 20th century. His diverse output included novels, short stories, poems, plays, essays, travel books, paintings, translations, literary criticism and personal letters. In his work he confronts issues relating to emotional health and vitality, spontaneity, human sexuality and instinct.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
