

Principle of Management

By Amar Jyoti

2009. Hardcover. Condition: New. 330 This book takes an operational approach to the management process, focusing actively on planning, organizing, controlling and leading. The easy writing style and organization of the book have made it very student-friendly. It emphasizes the issues that managers face, with focus on the service sector, global management, and information technology. The streamlined text covers the principle concepts of management to provide students with a solid foundation for understanding key issues. Organized around the traditional functions of management, it reflects contemporary trend in management. An indispensable textbook both for management specialists and non-specialists, it provides a complete foundation in management topics. Reviews

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Keanu Johns**

This is the finest book i have read until now. It is filled with wisdom and knowledge You can expect to like just how the author compose this ebook.
